JEROME VAN BUREN

This matter is before the court on defendant's motion filed December 17, 2014, entitled "motion to reduce sentence" which is in reality a motion seeking judicial recommendation for placement in community corrections or home confinement. The court is also in receipt of a letter, filed November 25, 2014, requesting similar relief. As the Bureau of Prisons determines placement in community correction facilities, this court finds no merit to defendant's motion. Therefore, the motion [DE #63] is DENIED.

This $\frac{1}{2}$ day of June 2015.
